CUBA.

Smallpox and yellow fever in Cuban seaports.

The United States consul at Cardenas reports 34 cases and 5 deaths from yellow fever during the week ended October 31.

The United States consul at Santiago reports 9 deaths from yellow fever during the week ended October 17.

Under date of November 2 the United States consul at Cienfuegos reports that during the week ended November 1 there were in that city 22 deaths from yellow fever and 4 from smallpox.

The United States sanitary inspector at Habana reports 200 new cases and 70 deaths from yellow fever, and 38 deaths from smallpox, during the week ended November 5.

HABANA, CUBA, *November 7, 1896.*

SIR: I have the honor to inform you that there was a greater mortality from yellow fever at this place during the past month of October than any month of this year so far, and that smallpox has in no sense diminished, as can be seen in the mortuary report which I forward to-day.

Mortuary report: During the month of October there were 1,182 deaths in this city. Two hundred and seventy-two of those deaths were caused by yellow fever, 140 by smallpox, 48 by enteric fever, 42 by so-called pernicious fever, 16 by paludal fever, 41 by dysentery, 38 by enteritis, 2 by bilious fever, 2 by the grippe, 2 by glanders, 20 by pneumonia, and 153 by tuberculosis.

During the week ended November 5 there were 305 deaths, 70 of which were caused by yellow fever, with 200 new cases approximately; 38 were caused by smallpox, with approximately 260 new cases; 15 were caused by enteric fever, 17 by so-called pernicious fever, 4 by paludal fever, 1 by diphtheria, 9 by dysentery, 7 by enteritis, 1 by the grippe, 1 by glanders, 3 by pneumonia, and 38 by tuberculosis. Sixty-three of the deaths from yellow fever during the week were among Spanish soldiers in the military hospitals, while the remaining 7 deaths from that disease were among civilians in municipal hospitals and private houses.

As usual, all of the deaths from smallpox were among civilians, except 1, which was in the military hospital.

Very respectfully, your obedient servant,

D. M. BURGESS,
Sanitary Inspector, U. S. M. H. S.
